FOR IMMEDIATE RELEASE:

STV|DPM's Pied Appointed Senior Associate

Newton, MA, February 17, 2017 -- STV|DPM, formerly Diversified Project Management (DPM), a leading provider of owner's representative services, is pleased to announce the appointment of project executive Denise Pied, PMP to senior associate. The appointment to senior associate is based on an employee's exceptional performance and dedication, as well as commitment to the firm's values and core purposes.

Having joined STV|DPM's Newton office in 2000, Pied currently leads the office's pursuits in the corporate, high tech and financial services business sectors, specializing in the planning and execution of large-scale tenant improvement projects both downtown and in the suburbs.

During her STV|DPM tenure, Pied has completed a variety of construction and relocation assignments, successfully delivering in excess of two million square feet of projects. Her vast portfolio includes projects owned by clients such as Acme Packet/Oracle, EDC, Continuum Innovations and The Predictive Index. She is currently working on an expansion project for a confidential high tech client located in Boston's Seaport District.

In addition to her OPM/project work, Pied is an active member of CoreNet New England, where she is presently serving as co-chair of the Education Committee. Pied is also currently participating in the exclusive Leadership 2.0, CoreNet's newest premier education program.

"We wanted to take this opportunity to recognize Denise's exceptional commitment to excellence and leadership of our teams, clients and the industry," said Phil Leonard, STV|DPM vice president of operations. "Denise continues to be an asset to our organization on multiple levels and we are proud to have her as part of our organization."

About STV|DPM: Diversified Project Management (DPM), a leading provider of owner's project management services throughout the greater Boston/New England region, is now a part of STV and doing business as STV|DPM. STV|DPM is comprised of more than 70 professionals throughout New England.

Founded more than 100 years ago, STV is a leader in providing construction management, architectural, planning, engineering, and environmental services for buildings, transportation systems, infrastructure, energy and other facilities. The firm is ranked 40th in Engineering News-Record's Top 500 Design Firms survey and 15th in Building Design + Construction magazine's Top 40 Construction Management firms.** STV is 100 percent employee-owned.
