FOR IMMEDIATE RELEASE:

STV|DPM Promotes Three

Newton, MA, April 10, 2017 -- STV|DPM, part of STV, a national award winning firm that provides a broad range of design and construction management services, is proud to announce that it has promoted Robert Labrecque, Tracey Jabs and Linh Nguyen.

Labrecque has been promoted from project manager to senior project manager. Labrecque joined STV in 2014 and possesses more than 35 years of experience overseeing the new construction and renovation of commercial, educational, pharmaceutical, hospitality, residential, and institutional facility projects. A Massachusetts Certified Public Purchasing Official (MCPPO), Labrecque has delivered a variety of project types and sizes, utilizing multiple project delivery methods.

With STV|DPM since 2011, Jabs has been promoted from project manager to senior project planner. She is NCIDQ certified and a LEED® AP BD+C who has spent more than 15 years overseeing interior design, relocation and facility planning and management initiatives for corporate, academic and the life science industries. Jabs is the past president of the New England chapter of the International Interior Design Association (IIDA) as well the former VP of City Centers.

Nguyen has been promoted to project manager from assistant project manager. Having joined STV|DPM in 2013, she has in-depth expertise programming space, managing build-out renovations, and planning multiphase employee and facility relocations in the corporate and lab/life science market sectors.

About STV|DPM: Diversified Project Management (DPM), a leading provider of owner's project management services throughout the greater Boston/New England region, is now a part of STV and doing business as STV|DPM. STV|DPM is comprised of more than 70 professionals throughout New England.

Founded more than 100 years ago, STV is a leader in providing construction management, architectural, planning, engineering, and environmental services for buildings, transportation systems, infrastructure, energy and other facilities.
