FOR IMMEDIATE RELEASE:

Matt Keys Joins STV|DPM as Director of Business Development

Newton, MA, October 31, 2017 -- STV|DPM, part of STV, a national award-winning firm that provides a broad range of design and construction management services, is pleased to announce that Matt Keys has joined its Newton office as a director of business development.

Keys will be working closely with clients to evaluate their real estate, design, construction and relocation needs and how STV|DPM can provide cost effective owner's project management solutions. He will support firms in a variety of industries including the corporate office, R&D, laboratory/life science and nonprofit sectors.

Keys spent the past six years in commercial real estate as a senior associate and associate in brokerage, and research analyst. In those roles, Keys focus was on tracking and obtaining new business with corporate office tenants in the Downtown Boston and Route-128 markets. Earlier in his career, he was a regional sales representative for a local moving company where he coordinated a wide range of corporate and individual relocations.

"We're truly excited to welcome Matt to our team," said Bob Keeley, STV|DPM senior vice president. "His in-depth knowledge of the commercial real estate industry and hands-on experience in the Downtown and Greater Boston markets are an ideal fit for this role, positioning him in a way that will benefit both STV|DPM and our clients."

Keys is a graduate of Marist College where he earned his B.A. in Communication. He is an active member of NAIOP and CBA (Commercial Brokers Association).

About STV|DPM: Diversified Project Management (DPM), a leading provider of owner's project management services throughout the greater Boston/New England region, is a part of STV and doing business as STV|DPM. STV|DPM is comprised of more than 70 professionals throughout New England.

Founded more than 100 years ago, STV is a leader in providing construction management, architectural, planning, engineering, and environmental services for buildings, transportation systems, infrastructure, energy and other facilities. The firm is ranked 40th in Engineering News-Record's Top 500 Design Firms survey and 13th in Building Design + Construction magazine's Top 60 Construction Management firms. STV is 100 percent employee-owned.
