FOR IMMEDIATE RELEASE:

STV|DPM Promotes Six in Newton

Newton, MA, March 12, 2018 -- STV|DPM, part of STV, a national award winning firm that provides a broad range of design and construction management services, is proud to announce its 2018 staff promotions.

Jean Nuzzo has been promoted to the role of senior project manager from senior project planner. Since joining STV|DPM in 2006, she has managed a variety of complex relocation and construction assignments, most notably in the laboratory and life science business sectors.

With STV|DPM since 2013, Kim Dustin has been promoted from project manager to senior project planner. She has overseen office relocations for numerous corporate clients throughout the New England region, including many in the financial and professional services sectors.

Tina Staublin has been promoted to senior project planner from project manager. Having joined STV|DPM in 2011, she has in-depth expertise programming space, managing build-out renovations, and planning multi-phased relocations in the corporate and life science market areas.

Trisha Cieplik, who joined STV in 2017, has been promoted from assistant project manager to project manager. She has experience in the design and the management of tenant fit-outs and complex relocation efforts to support phased hospital construction.

With STV|DPM since 2016, Tayson Ng has been promoted from assistant project manager to project manager. He possesses in-depth experience in design, space planning and move coordination for clients in the academic, laboratory and municipal market sectors.

Robert Pitaro joined STV|DPM in 2015 and has been promoted from assistant project manager to project manager. He has supervised and supported academic, high-tech, and municipal construction assignments. Since 2016, his focus has been on managing healthcare projects.

About STV|DPM: Diversified Project Management (DPM), a leading provider of owner's project management services throughout the greater Boston/New England region, is now a part of STV and doing business as STV|DPM. STV|DPM is comprised of more than 70 professionals throughout New England.
